WILLIAM ANGERSTEIN, Esq.	3861
SIR JOHN LUBBOCK, BART.	3896

And that the choice of the Electors having fallen on Viscount HOLMESDALE and WILLIAM HART DYKE, Esq., he declared those gentlemen duly elected.

EXPLANATIONS BY THE COMPILER.

THE arrangement of the Poll has been made in accordance with the Register; that is, in an Alphabetical Order in the respective Parishes where the Electors have Qualified.

The Parish above the Name is the Parish of Qualification; preceding the Name is the Registered Number of the Elector; and after the Name follows his Address.

The Electors whose Names are Printed in Italics did not Vote.

Where the Elector is Qualified in Duplicate the Vote is recorded opposite to the number upon which he claimed to Vote at the Polling Booth; and wherever the Name of the Elector occurs elsewhere a reference is made immediately after the Address to the number where his Vote is recorded, and to the Candidates for whom he Voted.

Duplicate Voters who were Dead at the time of the Election, or who did not Vote, are Printed in Italics to signify that they did not Vote, or are stated to be dead *once* only; and wherever the names of such Electors occur elsewhere references are made to the numbers, where alone they are reckoned in the Abstract of the Poll as Dead or not Voting.

Electors who have been Registered by the Revising Barrister to Vote in a district different from that of their Qualification, are distinguished, as they are in the Register, by the Initial Letters of the Polling Districts where they are Registered to Vote, and a reference is made in each case after the Address to the Registered Number, and to the Candidates for whom they Voted, or it is stated that at the Registered number they did not Vote, or that they are entered as Dead.

With these few explanations of the very simple manner in which I have arranged the Poll, I submit the compilation to the favourable consideration of the Electors of West Kent.

WILLIAM HALL.
